

Bhaskar K. Somani

Associate Professor and Consultant Urological Surgeon
University Hospital Southampton NHS Trust
Wessex Clinical Research Network (CRN) and Simulation Lead for Urology

Bhaskar is a member of ESUT Endourology group and ESU 'Training and Research' group. He has been teaching on the EUREP hands-on-training for ureteroscopy for the last 5 years and is the senior author in the new 'Endoscopic stone treatment (EST)' curriculum established for training and examinations. He has performed live surgery in EAU with presentations and moderations in EULIS, WCE and SIU. He is also a member of EAU 'Train the trainer' committee.

He is research active and has published more than 200 papers with over 300 published abstracts/presentations. He is a reviewer for 14 journals and Investigator for 5 trials. He sits on the MCQ panel for FRCS examinations and is a 'Specialist advisor' to National Institute of Clinical Excellence (NICE) Interventional procedures and 'Invited expert' to NICE urological infections. He is an elected member of BAUS Academic section and was recently selected as a Fellow of Faculty of Surgical Trainers.
